THE STRONG FOUNDATION TO BUILD YOUR PROJECT ON SOLID GROUND

Newport Hospital, Newport RI Turner 5 – Patient Floor Renovation

This comprehensive renovation of the 5th Floor 14,000 sq/ft patient care wing was comprised of a medical surgical unit and a pediatric unit. Included in the scope of this project was the complete demolition and asbestos abatement.

Design features included technology, security systems, telemetry and upgrades to the existing medical gas distribution system.

The layout of this wing transformed double patient rooms to single rooms. Incorporation of flat screen TVs, cherry woodwork with complementing wall and floor color presents a private and warm environment.

This project was completed on schedule and under budget.
